The week Oct 1st to Oct 8th is being observed by members of the Canadian Weekly Newspaper Association as National Newspaper week to celebrate the 500th anniversary of printing and we wish to extend greeting to all our readers.

Your publisher was thrilled on Monday night of last week to hear a speaker over the CBO tell of standing on Thigh Hill and witnessing the sight of the combines reaping the golden grain. Two phone calls to our office shortly afterwards asking whether it was really true that Alberta produced as much grain as Australia, indicated the interest which the people of the east show towards the west.

From the reports received each week we are so encouraged to note of the continued patronage of The Champion Chronicle, the people continuing their sincere and wholehearted good will towards what we like to call "your own local paper." The publisher and staff have high ideals regarding what the paper should be but without the necessary revenue this can not be done and only as the support is forthcoming can we make improvements. Thanks are tendered those individuals who have cooperated with the staff in giving little items of news.

Then too we would like to thank the merchants who are using our newspaper space to increase their sales. They are getting value for their money but just the same their community spirit is making it possible to continue publishing a paper in the district.

A word of thanks too go to individual business firms and municipal council and school board for their support of the job work department. Our staff give prompt and efficient attention to work entrusted at prices which have not been advanced despite increased cost of paper and other materials. We trust that in addition to giving this service we shall also be able to return the compliment by support through the press.

While in actual residence of the east publisher still feels that Alta holds more than a financial interest for him and more frequent visits will be paid to the Champion home. These visits may be official reason but the prime object will be to again meet the many friends which I am proud to say I still have in Champion and Carmanagay. There is nothing to compete with genuine friendships.

During the week if you have time drop in at our office and have a chat with our staff. You will find both eager and anxious to be of service to you and if you can help along your own local newspaper you will be doing something worth while to help us properly celebrate.

Yours for service

Government Advice To Draftees

The men reporting for training at Militia Training Centres, will be issued with complete Battle Dress the same as units of the C. A. S. F. In addition they will be issued with:
Great coats Underwear
Socks Boots
Gloves Shirts
Overshoes

When the man has completed his period of training, he will be required to produce his boots if he should be called back for a further period of training at a later date.

Small articles of kit, will not be issued by the Training Centres. It will therefore be necessary for the recruit to bring with such articles as:

Braces Tooth brush
Boot brush Shaving kit
Hair brush Comb
Towels Soap

and any other articles of this

nature that he may require.

Blankets will be the only bedding issued at the Training Centres.

Sports will also be engaged in extensively during the training period, and it is suggested that running shoes, and depending on the season, any sports equipment that a man may have brought, such as skates.

Men who can play musical instruments should bring them along, so that they may take part in the concert.

I. O. D. E. To Give Xmas Hampers To Soldiers.

The IODE are at present raffling tickets on a Hamper that is to be raffled off prior to Thanksgiving day. This hamper is a dinner for eight complete from turkey to an after dinner smoke. The money raised by this raffle is to be used for sending Christmas Hampers to the boys serving in the O A S F from Champion and district.

Cleaverville Pioneers To Celebrate Oct 18th.

The Cleaverville Pioneer Club are again sponsoring a social evening on October 18th in the Champion Community Hall.

The entertainment for the evening will consist of local talent in a well planned concert beginning at 8. At midnight a turkey supper will be the crowning point of the evening. Dancing will be enjoyed by those attending immediately after the programme and after the banquet.

The evening is planned for old timers who are over 30 and who settled in this district prior to January 1913.

The Committee asks that everyone make an effort to come out to this social evening, and bring pies or cakes for supper.

Don't let the good old Cleaverville spirit die — be there and enjoy yourself.

Catholic Congregation Hold Dinner.

The Savoy Hotel on Sunday last was the scene of a get-together of the congregation of the Roman Catholic Church. After church the congregation met in the dining room of the Savoy Hotel to partake of the luncheon served by the Altar Society. After which the Rev Father Ritter delivered a short message.

The second group of boys returned last night and early this morning from Sarcee Camp where they have been in training for the past two weeks.

The boys say they had a good time and some of them say the name of the 'Fighting Sixth' will be immortal at Sarcee — (Don't ask why? Ask who.)

School Initiation

The strange sights one witnessed on the street this week in the form of grown boys with pink ribbons in their hair and shirt tails blowing in the wind is not a new fad among the growing manhood of Champion

After pointed questioning we learn that this was the initiation that all the High School boys had to bow to.

The girls were seen to be wearing pretty colored ribbons adorning their shapely ankles and minus the deep hued stain usually applied to the face.

British Israel View On World Crisis.

Mrs O A Brake of Victoria B.C. a gifted speaker and author of note on the Prophetic outlook as presented by the British Israel Federation, is making a tour of Alberta in the interest of the Organization giving forth a message of courage and confidence, in the ultimate triumph of Empire against the efforts and menace of the Dictators who seek our destruction, the last barrier to world conquest. Mrs Brake will address in Champion Wed. Oct 9th — Carmanagay Mon. 14th and Barons Tues. 15th

For information regarding subject of address and other details consult the Adv't column of this paper.

Wedding Taylor — Brown

A quiet wedding was solemnized in the United Church in Champion when Harry Taylor of Lomond, son of Mr and Mrs George Taylor, and Miss Janet Brown of Lomond were united in marriage by the Rev Peter Dawson.

Only immediate relatives of bride were present at the ceremony.

The happy couple left on their honeymoon immediately after the ceremony and on their return will reside in Lomond.

Freedom Of The Press

"Let me read your local weekly newspaper and I'll tell you the kind of a town you have."

This is the terse quotation credited to a business executive, failing to be impressed by claims on behalf of a far removed community in which his company had indicated interest, evidences the degree in which the weekly press of today has come to be held as accurately reflecting the life and institutions of the area which it covers. Expanding his statement he said, "show me a community that has a live aggressive newspaper, made possible by well filled advertising pages representative of local interests and I'll show you the town that is headed for growth and development."

This executive knew what he was talking about and the weekly press, as a group, are coming up to the expectation of these big business men. The daily has its place in modern life but outside the city its immediate influence is not so near marked as the weekly, and this from an independent source.

Weekly editors maintain a closer contact with the readers than the city editor who know only a small percentage of the thousands of readers, while the country knows them personally. The local man is therefore able to gain the confidence of his readers and give wise and patient leadership in the community.

Newspaper week Oct 1 to Oct 8 is being observed by this paper.

Prayer For The Week....

This is the part of a series of prayers which will appear in this paper from time to time in answer to several requests for prayers suitable for the present strenuous times.

O Lord God of Hosts, stretch forth, we pray Thee, Thine Almighty arm to strengthen and protect the sailors and soldiers of the King in every peril, of sea and land and air; give them victory in the day of battle, and in the time of peace keep them safe from all evil; endue with loyalty and courage; and grant that in all things they may serve as seeing Thee who art invisible; through Jesus Christ our Lord, Amen.

BUSINESS
IS BIG
BUSINESS

A LITTLE steam lifts the lid of your tea-kettle. A lot of steam drives trains, machinery. Your bank deposit may be little, but it combines with millions of others to make a lot of "steam". It helps to run the nation's machinery of production, marketing, employment, business. It is important indeed to the country's war financing and war-time effort. The money is yours yet it helps provide the credit necessary to move the goods and services of the nation. Canada's chartered banks thus perform functions of great usefulness. They receive the deposits of millions of Canadians, and extend credit to individuals, governments, businessmen and marketing organizations. The small depositor is important to the banks. The "little fellow", popularly so-called, is welcomed by any bank, as a customer.

In war, as in peace, Canada's Chartered Banks maintain, uninterrupted, their useful services—safeguarding depositors' funds; facilitating the nation's business—looking forward to peace with freedom as the only sure basis of enduring prosperity.

THE CHARTERED BANKS OF CANADA

Sees Great Need of Packing Plant

(From Lethbridge Herald)

The Herald has on many occasions urged that one of the secondary manufacturing plants needed, and warranted, to give South Alberta farmers a better break in marketing is a meat packing plant. Today, more than ever before, such a plant is needed, and the city and Board of Trade should concentrate in an effort to secure its establishment.

The special reason for urging the development of a meat processing plant here at the present time is the change announced in hog grading to

go into effect across Canada on September 30. Universal rail grading, which is done only in the packing plants by Government graders, will on that date replace the live grading at stock yards. Most hogs from Southern Alberta which are not processed in Calgary where the nearest packing plants are located, go to Edmonton, Moose Jaw, Vancouver or even further points far beyond any immediate knowledge of the hog producers of this section. This is not very satisfactory to the producers.

As the Herald said the other day, rail grading of hogs in the packing plants is unpopular with farmers in South Alberta not because they think rail grading is wrong, but because the

machinery at present set up is so far removed from them that they feel that they are left in the dark, taking what someone else doesn't know and never see why their product is worth. A packing plant in Lethbridge large enough to process the hogs produced in this part of Southern Alberta would remove much of that objection.

Another reason for such a plant is that at the present time, hog producers are mulcted about half a cent a pound live weight for freight, insurance and the like on the basis of Calgary prices. That amounts to one dollar a hog—a disadvantage under which the South Alberta producer labors, and has labored ever since they began growing hogs for market. That's a heavy handicap.

To give our producers in this part of the province "a break" a packing plant should be established in Lethbridge. This large irrigation area is one of the best livestock producing sections of Canada. We should have a meat processing plant, and the whole community, farmers and businessmen in co-operation, should never rest until such a plant is established.
